

GEMSEAL FLASH PLUS

**STRONG AND LONG-LASTING
BRIGHTENER**

TECHNICAL DATA SHEET

PRODUCT DESCRIPTION

Product designed as a strong and long-lasting brightener for stone materials with brushed, sandblasted, bush-hammered, flamed, split, tumbled, disc-cut and polished finishes.

GemSeal Flash Plus penetrates into the material, protecting it from staining substances in general, trampling dirt, smog and atmospheric dirt and at the same time totalizes the surface of the stone without forming surface films.

The product is particularly suitable for antiqued marbles and stones with strong colors, GemSeal Flash Plus is suitable for internal and external surfaces.

The product is resistant to routine washing carried out with appropriate detergents, used manually or with floor cleaning machines.

APPLICATION

All stone surfaces to be treated must be completely clean and dry. Where no previous treatment experience exists a small discreet area should be tested to verify the suitability of the product to the stone.

Where necessary ensure all surrounding areas and surfaces sensitive to solvents are protected against any spillage.

Apply one coat of GemSeal Flash Plus evenly with a clean brush, a roller or by cloth in circular movements. On very absorbent surfaces apply a second coat allowing sufficient time for your first application to penetrate into the stone and dry. If in doubt test discreet area to ensure second application is necessary.

In case of over treatment or any air bubbles remove by wiping excess product using a clean cotton cloth or absorbent paper. On large floor areas excess residue of product can be buffed off by machine using a white nylon type pad.

Temperature of surface to be treated should not be below 10°C. Avoid direct sunlight especially for external works.

GEMSEAL FLASH PLUS

**STRONG AND LONG-LASTING
BRIGHTENER**

IMPORTANT SAFETY NOTE

When using any type of solvent based product suitable ventilation should be provided during and after application. Use appropriate rubber gloves where necessary and do not smoke, eat or drink while using product. Keep product well closed and out of the reach from children.
