

GEMSCLEAN MUSCLES

**DEGREASER CLEANER
FOR FLOORS**

TECHNICAL DATA SHEET

PRODUCT DESCRIPTION

Concentrated detergent, dilutable in water, for the thorough cleaning of any floor surface. GemsClean Muscles effectively dissolves greasy substances, oils, trampling dirt, atmospheric dirt, smoke blackening, food stains. Our cleaner deeply degreases without damaging stone surfaces and is particularly suitable for matt/rough surfaces. It can be used manually or with floor or washer-dryers, it can be diluted in water according to needs and equipment, it is a controlled foam product.

STORAGE

If stored in dry and cool condition (5-25°C/41-77°F) in its closed original container at least 12 months from production. Use open containers as quick as possible.

HEALTH & SAFETY

Read Safety Data Sheet before handling or using this product.

APPLICATION

Prepare a solution of the product at the recommended dilutions depending on

the use, then spray the solution on the surface to be cleaned and let it act for a few minutes. Wash the surface using a single brush with felt or bristles, remove the dirt removed with a vacuum cleaner. Rinse with water or a damp cloth, in case of use with floor washing machines or scrubber dryers or pressure washers follow the dilutions indicated below.

The indicative yield for the application of GemsClean Muscles varies from 5 to 50 m² depending on the surface to be treated.

IMPORTANT NOTICE

The above information is based on the latest stage of development and application technology. Due to a multiplicity of different influencing factors, this information, as well as other oral or written technical advises, must be considered as non-binding hints.

The user is obliged in each particular case to conduct performance tests, including but not limited to trials of the product, in an inconspicuous area or fabrication of a sample piece.
